

## **SOCIAL EVENT – RALLY IN THE ALLEY**

For the 50<sup>th</sup> Conference, the planning committee has partnered with McCarthy's Party to provide a truly Newfoundland experience. The social event includes a fish and chips dinner at a local pub, a screech-in on the infamous George Street, and a final destination at a local venue with live entertainment! The social event is occurring on Wednesday, August 14<sup>th</sup> and more information is outlined below:

### **Fish and Chips Dinner at Local Pub**

Located on one of the oldest streets in North America, a local pub will provide the traditional Fish and Chips Dinner that has made St. John's so famous. For those who are allergic to seafood we would arrange for an alternative meal. While eating we would arrange for a great local Newfoundland act to entertain.

### **Screech-In on George Street**

Once everyone has finished with dinner, we would arrange for a Screech-In on George Street. This activity takes approximately 40 minutes.

### **Final Destination & Entertainment**

Once the group gets to the final venue, they will be welcomed by a great local band that will provide some entertainment for the group to enjoy a Scuff and a Swally!

### **PRICE PER PERSON: \$60.00 + HST**
